

Telescope Electronic Record Books Acceptance - Swedish Flag

To whom it may concern,

Swedish Transport Agency accept the use of the Telescope Record Books for electronic recording on board vessels under Swedish flag, in accordance with Section 5a, Chapter 1 of the Swedish Transport Agency's Regulations and General Advice (TSFS 2010:96) on Prevention of Pollution from Ships (corresponding to regulations on electronic log books in MARPOL Annex I and Annex V). The Telescope system has a DNV type approval certificate (TAA000032F), verifying compliance with the MEPC.312(74) guidelines. According to section 13 of the Swedish Transport Agency's Regulations and General Advice (TSFS 2022:19) on Management and Control of Ships Ballast Water and Sediments, ships may use electronic ballast water record books.
