**Approval of electronic logbook software onboard Finnish-flagged vessels,  
Telscope Electronic Record Book****Applicant**

Telko A/S

**Application**

The applicant requests the Finnish Transport and Communications Agency to broaden the approval of the use of Telscope Electronic Record Book software onboard vessels flying the Finnish flag. The earlier approval (TRAFICOM/38451/05.01.10.07/2021) covers Telscope deck, engine and radio log book modules. The applicant requests the approval to cover also Oil Record Book Part I, Garbage Record Book Parts I and II and Ballast Water Record Book. The application is enclosed with a type approval certificate issued by DNV (TAA000032F, rev. 1)

**Decision**

The Finnish Transport and Communications Agency approves the Telscope Electronic Record Book software, version 1.12 or higher for use onboard vessels flying the Finnish flag. The approval covers following record books:

Deck Record Books  
Radio GMDSS Record Book  
Engine Record Books  
Oil Record Book Part I  
Garbage Record Book Part I and II  
Ballast Water Record Book

The decision is in force until 5th September 2027.

**Statement of grounds**

The Finnish Transport and Communications Agency considers Telscope Electronic Record Book software fulfils the requirements set in the Finnish Maritime Code, the national regulation on ships' log books and the entries to be made therein and the requirements set out in SOLAS V/28, IMO Resolution A.916(22) and Resolution MEPC.312(74). A more thorough evaluation of how the Telscope Electronic Record Book software fulfils the requirements was carried out during the initial approval.

**Legislation applied**
